HANDICAP SYSTEM

The new World Handicap System is set up for players participating in our leagues and is designed to establish a level playing field for all. League handicaps will be based on your handicap index and the tees you play. Players have the option of playing either the White or Gray tees during league play, players must select which tees they prefer to play for the entire season. The handicap system will accept 9-hole scores.

LEAGUE RULES AND POLICIES

All play will be from the white & gray tees. **All putts must be holed out. We will play the ball up one grip length, except** for all bunkers, penalty areas, and putting greens. All other U.S.G.A. and local rules will apply to play. It is the goal of the Men's Association committee to make sure everyone is playing under the same set of rules. **ALSO, THOSE WHO DECIDE TO PLAY MORE THAN 9 HOLES MUST TURN THEIR SCORECARD IN BEFORE STARTING THE NEXT NINE. FAILURE TO DO SO WILL RESULT IN A DQ FOR EVERYONE ON THE CARD.**

LEAGUE SEASON CHAMPIONSHIP:

The League Season Championship is an individual gross/net season long event with player receiving points for top five finishes each week in both gross and net divisions. The top five golfers in both divisions will receive cash payouts at end of the season (will only cash in division they finish the highest in). There will also be some two man and four-man team events throughout the year, these events will not count towards the league season championship total.

FOOD AND BEVERAGE EVENTS

All food & beverage events will be hosted on the "Traditions Restaurant" patio at Audrey J. Walton Clubhouse. Except for the end of the year Pizza & Drinks at Fitters.
